## Can vampires teach Christians about God's love?

People around the world are enraptured with the Twilight Saga, the best-selling phenomenon written by Stephenie Meyer. But the Twilight Saga isn't just another fantasy—it's teaching girls about love, sex, and purpose. With 48 million copies in print and a succession of upcoming blockbuster movies, Christians are asking an important question: what does the series teach readers about God's plan for love?

*Touched by a Vampire* is the first book to investigate the themes of the Twilight Saga from a biblical perspective, and it does so with a cautionary, challenging, and thoughtful tone. Beth Felker Jones measures the redemptive qualities of the books so that *Twilight* fans, parents, teachers, and pop culture enthusiasts can read with a godly, discerning mind.

**Includes an overview of the series and a discussion guide for small groups.**

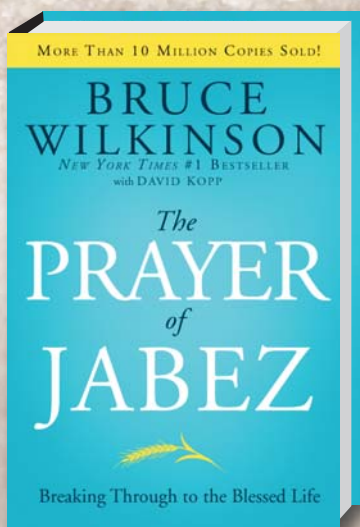

**BETH FELKER JONES** is assistant professor of theology at Wheaton College in Wheaton, Illinois, and holds a PhD in Theology from Duke University. She is the author of *The Marks of His Wounds: Gender Politics and Bodily Resurrection*. Beth is a pastor's wife and the mother of three.

# DUG DOWN DEEP

*Unearthing What I Believe  
and Why It Matters*

# JOSHUA HARRIS

"I've come to learn that theology matters," Joshua Harris writes. "It matters not because we want to impress people with our knowledge, but because what we know about God shapes the way we think and live. Theology matters because if we get it wrong then our whole life will be wrong."

Young evangelicals today are torn between the undefined theology of their generation and the hard-edged attitudes of some older conservatives. In *Dug Down Deep*, Harris charts a path of humble orthodoxy with enormous appeal. Harris understands that his readers are at a crucial juncture—they are deciding what they will and won't keep of the faith that's been passed down to them. They want to know what to believe and why it matters.

*Dug Down Deep* tells Harris's own story of discovering that "seemingly worn-out words like theology, doctrine, and orthodoxy are the pathway to the mysterious, awe-filled experience of truly knowing the living Jesus Christ." In this pivotal book for his generation, he enthusiastically shows readers that orthodoxy isn't just for scholars. It is for anyone who longs to truly know the living God.

*"Everyone who comes to Me and hears My words and acts on them, I will show you whom he is like: he is like a man building a house, who dug deep and laid a foundation on the rock; and when a flood occurred, the torrent burst against that house and could not shake it, because it had been well built."*

— Luke 6:47-48

# An unforgettable journey into sound doctrine with a young pastor who discovered why it matters.

Since writing his breakout book, *I Kissed Dating Goodbye*, at the age of twenty-one, **JOSHUA HARRIS** has enjoyed tremendous publishing success, with total book sales exceeding 1.5 million copies. His later books, including *Boy Meets Girl* and *Stop Dating the Church* firmly established him as a trustworthy voice to his generation. Harris is senior pastor of Covenant Life in Gaithersburg, Maryland. A popular speaker and the founder of the NEXT conferences for young adults, he is committed to seeing the gospel transferred to a new generation of Christians. Joshua and his wife, Shannon, have three children.

## Joy should be the rule of life, rather than the exception

The reality of living in a broken, fallen world can leave women feeling overcome by fear, guilt, and weariness. Many develop “sawdust souls,” numb to any sense of joy.

In this warm and wise book, author Sally Clarkson invites readers to take God’s hand and let Him lead them into a life of anticipation, passion, and purpose. With the voice of a trusted mentor, she reveals how, by getting in tune with the rhythm of God’s presence, women can nurture an inner attitude of anticipation and celebration even in the stressful seasons of life.

Each chapter includes personal devotional reflections by the author, thoughtful discussion questions integrated with relevant scriptures about joy, and a brief prayer.

Through rich biblical insights woven with real-life stories, women will be inspired to recapture a spirit of joy as they follow God’s lead on the dance floor of life.

**SALLY CLARKSON** is a popular speaker, known across the nation and internationally for her work with women. She is the author of several books, including *The Mission of Motherhood*, *The Ministry of Motherhood*, and *Seasons of a Mother’s Heart*. She has worked in various ministries, including Campus Crusade for Christ. With her

husband, Clay, she is cofounder of Whole Heart Ministries, which encourages and equips Christian parents. The Clarksons, parents of four, live near Colorado Springs, Colorado.

# John Eldredge,

the best-selling author of

## *Wild at Heart* and *Captivating* (cowritten with his wife Stasi Eldredge)

reteams with Stasi to bring new insight to the most pressing topic of all time, love and marriage.

John and Stasi Eldredge begin with an obvious but necessary acknowledgement: marriage is fabulously hard. All those fairy tales are unfortunately not true, and the sooner we accept this, the sooner we can work on a successful marriage. In a wonderfully written style that jumps back and forth between John and Stasi, they explain that it's normal for marriages to be difficult, even the best of them. Adding personal insights from the struggles in their own marriage, the work will only broaden their already significant readership.

What the Eldredge bestsellers *Wild at Heart* did for men and *Captivating* did for women, *Love and War* will do for married couples everywhere. John and Stasi Eldredge have contributed quintessential works on Christian spirituality through the experience of men and of women and now they turn their focus to the incredible dynamic between those two forces. Highly regarded in the Christian world, each of Eldredge's major works have sold hundreds of thousands of copies. His core readership will completely embrace this new work, especially because of the freshness and magnitude of the subject.

Combined with the respect that already exists for the Eldredges is the fact that *Love and War* addresses a topic that is of enduring interest. It captures the full potential of this evergreen subject through the new life the Eldredges breathe into it with their candor and insights.

**JOHN ELDREDGE** is the founder and director of Ransomed Heart™ Ministries in Colorado Springs, Colorado, a fellowship devoted to helping people discover the heart of God. John is the author of numerous books, including *Epic*, *Waking the Dead*, *Wild at Heart*, and *Desire*, and coauthor of *Captivating* and *The Sacred Romance*.

**STASI ELDREDGE**, who is passionate about mentoring women in finding their true identity as the beloved of Christ, has been leading women's Bible studies for years. With a bachelor of arts degree in sociology and formerly on staff with Youth for Christ, Stasi now leads the women's ministry of Ransomed Heart. She has been married to John for nineteen years and together, they have three sons.

# HIDDEN IN PLAIN SIGHT

## What Men in the Workplace Are Really Thinking, but Will Never Tell You

A startling and confidential exploration of what men privately think about the words and actions of women in the workplace, based on nationwide surveys and confidential inter-

Many talented women today risk undermining their careers without realizing it, simply because they don't understand how they are perceived by their male colleagues and customers.

In *Hidden in Plain Sight*, best-selling author Shaunti Feldhahn reveals the inner reality behind men's views—the unspoken expectations that few men dare to acknowledge and no woman would learn from an HR department. These revelations include

- men's unwritten rules of the workplace;
- how men perceive workplace emotion;
- what common situations with female colleagues most frustrate men—and why;
- why revealing clothing can sabotage a woman's effectiveness;
- why some men think flextime is fine, but equal compensation for it is not.

*Hidden in Plain Sight* equips women with the information they need to make informed decisions and compete on a level playing field.

## Strategies that turn grudging employment into a meaningful and profitable career

Corporate mergers, jobs shipped overseas, loss of employee benefits, consolidation, and down-sizing. It all adds up to job insecurity. Many people struggle to cope with the rapid, unsettling change that is remaking the workplace. Holding onto a job is a greater challenge than ever, and Christians know that God wants them to gain more from their work than simply a paycheck.

What few people realize is that radical shifts in the economy are creating new opportunities to find a career that delivers meaning and purpose—in addition to financial security. Dan Miller, popular author and radio personality and one of America's best-known career experts, shows Christians how to take full advantage of the accelerating pace of change in the workplace.

*No More Dreaded Mondays* equips readers with the direction and inspiration they need to reorient their work from grudging duty to fulfilling, lifelong calling. As a result, they'll be able to find far more than a job; they'll enjoy a vocation that expresses God's call on their lives.

**DAN MILLER** is rapidly becoming the media's go-to guy on issues of work, career, and calling. He is the host of a weekly radio show and a frequent guest on radio and television including, *The Dave Ramsey Show*, CBN, TBN, and Moody Radio. The author of the best-selling book *48 Days to the Work You Love*, Miller contributes regularly to a number of Web sites.

*“Authentic work involves much more than just getting a paycheck. In No More Dreaded Mondays, Dan Miller captures the soul of work—how each of us can take our unique, God-given talents and blend those into meaningful, purposeful, and profitable work.”*

— Dave Ramsey, host of *The Dave Ramsey Show*

Who They Are and How They Help...What the Bible Reveals

## Clear, powerful, biblical truth about angels—the agents of heaven

What are angels? What is their role in God's plan? Are they present? Do they appear? Do they give us personal insight about our work, our worship?

Many contemporary beliefs about angels are based on misconception and myth. Dr. David Jeremiah uses scriptures to unveil the remarkable truth about these agents of heaven, and their role and work in our world—and lives.

More than 60,000 units of this powerful book have sold in two past editions. This repackaging of the original 1996 paperback will surely capture the attention of readers of all ages who seek a broad and thorough survey of Scripture that clearly separates fact from fiction as it relates to angels. The book will appeal to the thousands who follow Dr. Jeremiah's books and radio and television broadcasts.

Relevant, little known biblical facts help readers sharpen their knowledge and sensitivities toward the spiritual reality of angels. Dr. Jeremiah's enlightening findings are supported with illustrations and insights from Billy Graham, Corrie ten Boom, C. S. Lewis, and more.

**DR. DAVID JEREMIAH** is senior pastor of Shadow Mountain Community Church in San Diego, and founder of Turning Point Radio and TV Ministries. His radio program is carried on over 2,500 stations worldwide, while the TV broadcast is received by 500 million homes via cable and satellite. The recipient of numerous awards for

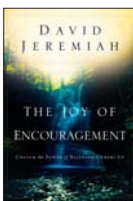

broadcast excellence, his books have garnered Gold Medallion awards and become bestsellers with the *Wall Street Journal*, *USA Today*, and the *New York Times*. He is a sought-after conference speaker by organizations nationwide.

In *Primal*, Mark Batterson asks, "What would your Christianity look like if it were stripped down to the simplest faith possible? You would have more, not less. You would have the beginning of a new reformation—in your generation, your church, your own soul. You would have primal Christianity."

Christians have a tendency to complicate Christianity. Jesus simplified it: Love God with all of your heart, soul, mind, and strength. Batterson reminds readers that if they are to live out the essence of Christianity, they must rediscover what it means to be great at this Great Commandment.

Batterson explores the foundational elements of "Great Commandment Christianity": compassion, wonder, curiosity, and power. *Primal* speaks directly to Batterson's most loyal audience: twenty-something and thirty-something Christians who are passionate about their faith but suspicious of many churches. This story-oriented, highly original book spins the spiritual kaleidoscope for these readers, articulating fresh ways to embrace the elements of faith.

As Batterson writes, "Reformations are not born out of new discoveries. They are born out of rediscovering something old, something ancient. Something primal."

## A mother-daughter bond is forever

When a daughter is born, her mother has a thousand hopes and dreams for her, especially that they will be best friends one day.

Unfortunately, even the best of intentions can go awry. There are so many challenges on the journey to adult friendship that the reality is fraught with friction and frustration. But a harmonious relationship is possible.

Award-winning author Cheri Fuller and her daughter, Ali Plum, have been there and have discovered the keys to a healthy relationship. In *Mother-Daughter Duet* they share their story—each from her own perspective—in which they have experienced distance and tension, growth and challenge, and, ultimately, acceptance and harmony. Filled with personal anecdotes and based on several basic principles:

- letting go;
- listening;
- respect;
- setting boundaries, and more!

The mother-daughter dynamic is intense, personal, complex, and unique. But mothers and daughters can achieve mutual respect and learn to celebrate their differences when they embrace the two-part harmony of the mother-daughter duet. *Mother-Daughter Duet* helps moms repair the breach so that daughters will want to draw close.

# HEAR NO EVIL

Marching in the Lord's Army, Fleeing the Devil,  
and Finding a Righteous Groove

## Every life has a soundtrack

A collection of wise, compelling, and often uproariously funny essays built around the experience of music as a transformational element in a moment of truth, *Hear No Evil* mines Matthew Paul Turner's humorous memories of his evangelical youth and invites readers to find a righteous groove on his journey.

From attending forbidden contemporary Christian concerts to moving to "Music City" Nashville, *Hear No Evil* chronicles Turner's "life soundtrack," which morphs seamlessly into the stories of people, places, and experiences that have taught the music-editor-turned-author some new things about God, forced him out of his comfort zone, and introduced him to a fresh view of grace along the way.

If you've ever had the opening bars of a song transport you back in time or remind you of a pivotal spiritual moment, Matthew Paul Turner's honest—and frequently hilarious—musings will strike a chord. Straight-forward and amusing, *Hear No Evil* is an exploration of a life of faith lived to a personal soundtrack.

**MATTHEW PAUL TURNER** is a blogger, speaker, and author of *Churched*, *The Christian Culture Survival Guide*, and several other popular books. Turner attended Nashville's Belmont University, where he received a BBA in music business, and was the editor of *CCM* magazine before leaving to pursue writing as a career. Turner has written for *Relevant*, *HomeLife*, *Christian Single*, and other magazines. He and his wife, Jessica, have one son and live in Nashville, Tennessee. **In the fantastical tradition of Lewis, Tolkien, Herbert, and Donaldson, Jeffrey Overstreet weaves an epic story of a hero's journey to save his lost people**

A deadly menace is breaking through the ground. The people of Abascar must abandon their stone refuge and run into the dangerous forest. But their king has had a vision.

Following the beacon of Auralia's Colors, Cal-raven has discovered a destination for his weary crowd of refugees. It's a city right out of the legends, and it gives him hope to establish a new Abascar.

But when Cal-raven is waylaid by fortune hunters, his people become vulnerable to a danger more powerful than the prowling beastmen—House Bel Amica. In this oceanside kingdom of wealth, enchantment, and beauty, deceitful Seers are all too eager to ensnare House Abascar's wandering throng.

As his faith suffers one devastating blow after another, Cal-raven's journey is a perilous climb from despair to a faint gleam of hope—the vision he sees in Auralia's colors.

*Publisher's Weekly* has called Jeffrey Overstreet's writing, "Precise and beautiful...masterfully told." This epic addition to the enchanting and colorful series of *The Auralia Thread*, *Raven's Ladder*, is his most ambitious, suspenseful, and surprising work, as King Cal-raven is confronted with the fate of his people.

**JEFFREY OVERSTREET** is the skilled author of the twice Christy Award nominated *Auralia's Colors* and *Cyndere's Midnight*. His award-winning film reviews have appeared in *Image, Books and Culture*, *Paste*, and *Christianity Today*, and his "movie-goer's memoir," *Through a Screen Darkly*, is a popular exploration of faith and film in the U.S.

and Europe. His Web site—[LookingCloser.org](http://LookingCloser.org)—draws many thousands of readers each month. Jeffrey and his wife, Anne, live in Shoreline, Washington.

# LEAVING MINNESOTA IN 1910, PHOTOGRAPHER JESSIE GAEBELE SEEKS FULFILLMENT IN RUNNING PORTRAIT STUDIOS.

## BUT IS IT ENOUGH TO FILL THE ABSENCE IN HER HEART?

Inspired by the engaging stories told through her grandmother's photographs taken at the turn of the century, award-winning author Jane Kirkpatrick provides a portrait of the tension between darkness and light in the soul of a young woman pursuing her professional dreams.

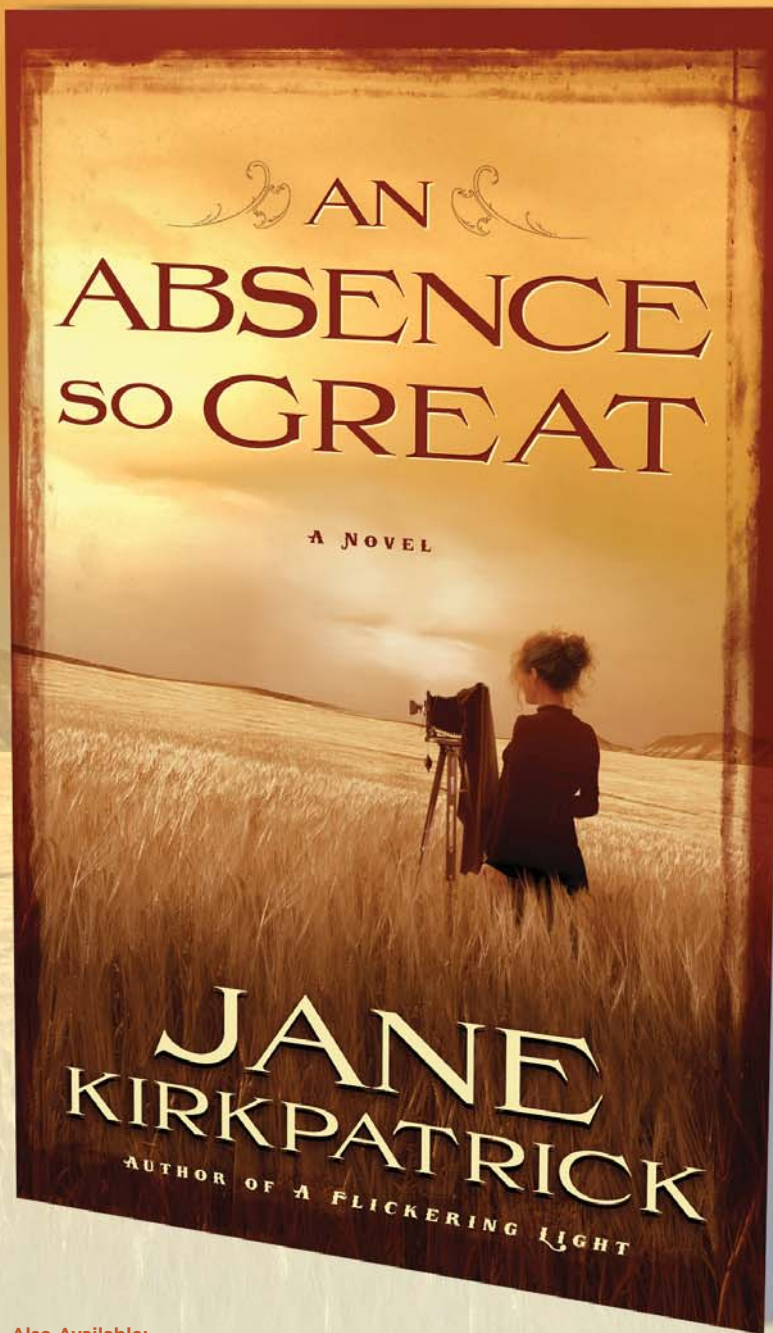

While growing in confidence as a photographer, eighteen-year-old Jessie Ann Gaebele's personal life is still at a crossroads. Hoping she's put an unfortunate romantic longing behind her as "water under the bridge," she exiles herself to Milwaukee to operate photographic studios for those ill with mercury poisoning.

Jessie gains footing on her dream to one day own her own studio and soon finds herself in other Midwest towns, pursuing her profession. But even a job she loves can't keep those painful memories from seeping into her heart, and the shadows of a forbidden love threaten to darken the portrait of her life.

# LADY CARLISS AND THE WATERS OF MOORUE

Knights of Arrethtrae, book four

## Will Lady Carliss find the courage to face the most daring quest of all?

Lady Carliss is plunged into adventure once again as she travels to the strange city of Moorue in search of the antidote that will save Sir Dalton's life. While there, Carliss uncovers a dreadful plot by the evil Lord Malco that will soon enslave the people of the Kingdom. As Dalton's life hangs in the balance, Carliss must find the courage to face Lord Malco and his horrific swamp creatures, who seek to destroy the lives of many. But time is running out, and Carliss finds herself facing an impossible choice: save Dalton's life or let him die so that others may live.

Young adults who have been following Chuck Black's popular Knights of Arrethtrae series will be thrilled to see their favorite characters return in another exciting adventure. Each book in the series stands alone and teaches a biblical virtue such as loyalty, compassion, or faith, while warning against a vice such as rebellion, greed, or doubt.

# FORGET ME NOT

A Novel

## Memory failed her—faith did not

For fans of Terri Blackstock, Dee Henderson, and Iris Johansen comes a gripping new romantic thriller filled with murder, conspiracy, and redemption. In *Forget Me Not*, the first book of the new Crossroads Crisis Center series written by award-winning author Vicki Hinze, characters and readers learn that when everything else fails, faith stands fast.

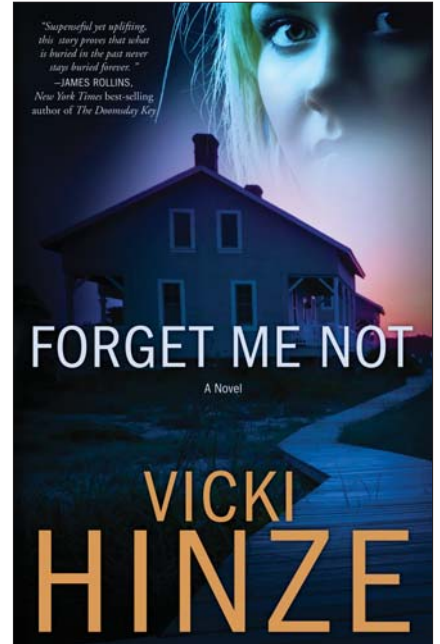

Three years ago, tragedy left Ben Brandt's wife and child dead and Ben tormented. Now a new victim appears at Ben's Crossroads Crisis Center, a center established by his deceased wife. This victim remembers nothing of herself except her faith and uncannily resembles Ben's murdered wife. Their circumstances are too similar to be coincidental.

Searching for an explanation unearths facts that assassins clearly want to remain hidden. But daring to trust, Ben and this mysterious victim work together—she in faith, he seeking redemption. Pursuing painful answers that provoke desperation and mounting threats, they discover truths steeped in betrayal and enemies too close to home. They dare to risk their lives, but do they dare trust their weary hearts?

*"Come to me, all you who are weary and burdened, and I will give you rest."*  
—Matthew 11:28

# Want to do hard things for God?

# START HERE

At the age of eighteen, Alex and Brett Harris wrote *Do Hard Things*—and launched a movement that would change a generation. Young people around the world were ready to be inspired, ready to move beyond complacency, ready to rebel against society's low expectations.

Now the highly anticipated follow-up book, *Start Here*, answers the questions Alex and Brett have received from thousands of teens on their worldwide conference tour and popular online community: How do I get started? What hard things does God want me to do? How do I keep from getting discouraged or burned out? What is the best way to inspire others?

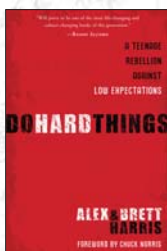

Filled with stories and insights from Alex, Brett, and other real-life rebelutionaries, *Start Here* is a powerful and practical guide for young people who are ready to take the next step and blast past apathy. Let the rebelution continue.

# Three million copies sold!

After a decade of encouraging men and women toward sexual integrity and connection, the Every series has now been updated and revised based on our changing world and the experience of hundreds of thousands of men and women who have been set free from sexual addictions.

Years ago it did not seem that the problem could get any worse, but it has. Temptation has migrated to new technology and is much easier to access than just through the computer. Whether it is sexting, seductive Twittering or Facebooking with an old flame, the ways that lust is satisfied have increased exponentially.

The Every series is more pertinent and relevant to today's culture than ever before. By addressing sexual issues and enticements in an open and honest way, the Every series continues to help men and women defeat the sins of temptation, save their marriages, and prepare their children to face our sex-saturated world. The revised editions include updated covers, new content and insights, and comprehensive discussion guides to help readers win the battle today!

*Here Burns My Candle* offers a timeless tale of love and betrayal, loss and redemption, flickering against the vivid backdrop of eighteenth-century Scotland. With the arrival of the bonny Prince Charlie, young pretender to the throne, rebellion is whispered in the streets and ushered into drawing rooms, tearing families asunder.

Dowager Lady Marjory Kerr, a widow of substantial means, has two passions in life: maintaining her place in society and coddling her two married sons. One daughter-in-law, Lady Elisabeth, harbors a shameful family secret, while the other, Janet, finds her family ties quickly unraveling when tragedy strikes.

Emotionally complex and deeply moving, *Here Burns My Candle* reveals the dark side of human nature and the bright hope of divine providence through the saga of a mother who cannot face her future, a daughter who cannot escape her past, and a hero for all time.

# THE BRIDEGROOMS

A Novel

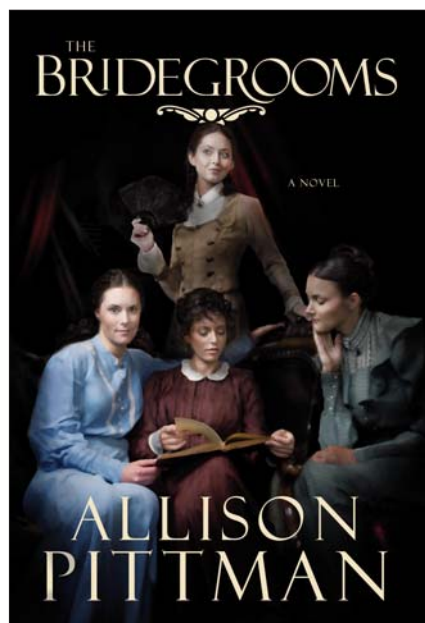

## It only takes an instant for love to strike

When the mother of eight-year-old Vada Allenhouse vanishes, Vada virtually raises her three younger sisters while her father loses himself in his medical practice in the basement of their Cleveland home.

By 1898, Vada is a grown woman whose days are spent serving as an errand girl for Cleveland's fledgling amateur orchestra and whose quiet evenings are spent with Garrison Walker, her devoted, if passionless, beau.

Dizzying change occurs the day the Brooklyn Bridegrooms come to town and a line drive baseball wallops the head of a spectator. The fan is whisked to the Allenhouse parlor, and questions swirl about the anonymous, unconscious man. Suddenly, the subdued house is filled with frequent male visitors and becomes a super-charged atmosphere of apprehension for Dr. Allenhouse and romantic opportunity for Vada and her sisters.

Allison Pittman's growing fan base will relish every page of this heartwarming historical romance laced with humor and tension. With rich characters and a thought-provoking storyline, *The Bridegrooms* delivers a powerful message about divine providence and God's sovereignty. Readers will see that the passage of a century does not change the soul of a woman and that the search for love—as exhilarating as it can be—is always more successful when God guides the heart.

# SHEPHERD'S RUN

A Prodigal Recovery Agency, A Novel

**A gripping thrill-ride delivering romance and suspense, while inviting readers into the world of a family of bounty hunters**

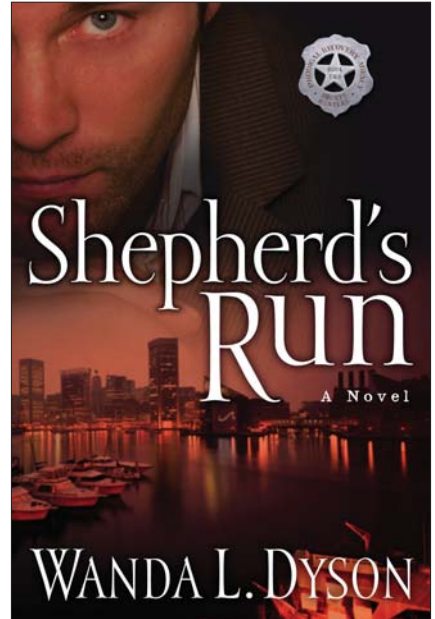

Torn between family loyalties, sibling rivalries, and his own personal interests, Steven Shepherd is struggling with the choices he's made and the important questions he has been avoiding. Will he always be tied to the family business, required to be a bounty hunter? Is he destined to forever come in second to his older brother? Is this what he had hoped to accomplish with his life?

But the answers Steven searches for are pushed aside when he gets framed for murder after posting bail for a beautiful kindergarten teacher, Andrea Morrow, who is innocent, trapped, and marked for death. Determined to protect her, Steven and Andrea are now on the run together—the evidence against them mounting. As they flee, few are willing to defend them, the real killers are hunting them, and constant danger stalks them. With a grim fate and few chances for survival, they engage in a deadly game of wits with the killers. But one step in the wrong direction could put an entire city in peril.

A fast-paced, action-packed thriller with a thread of romance, *Shepherd's Run* will entice readers to the end as one man breaks all the conventional rules in the name of faith, hope, and love.

**WANDA L. DYSON** lives in western Maryland on a working horse farm and is the author of several critically-acclaimed suspense novels, including *Shepherd's Fall*, book one in the Prodigal Recovery Agency series. Wanda also coauthored the true story of Tina Zahn, *Why I Jumped*, a nonfiction work featured on *Oprab*. Women are inherently relational; they naturally respond to people, particularly other women. Because of this, many learn best through a one-on-one mentoring relationship—such as the one described in Titus 2: “...older women...train the younger women....”.

Yet countless women find it difficult to find a godly mentor who can walk beside them and teach what they know. That’s why author Carole Mayhall has written *Come Walk with Me*: to stand in the gap as counselor and guide—and to provide a practical, how-to plan for women who want to begin a discipling relationship.

Women will discover how to make biblical truths their own (through verse studies, personal applications, scripture meditation, chapter studies, scripture memorization, character studies, topical studies, the use of a prayer notebook, and more); learn about the basics of the Christian faith; and find ways to apply what they’ve been taught in the rich content of this book.

**CAROLE MAYHALL** is a devoted mentor and popular author and has traveled throughout the world speaking about marriage, family relationships, and how women can help each other to grow. Over the years, she has spiritually mentored hundreds of men and women. Her books include *When God Whispers*; *Words that Hurt*, *Words that Heal*; and *Marriage Takes More than Love and Opposites Attack* which she wrote with her husband, Jack.

When he was in fourth grade, Alan Wright’s father called a family meeting and announced he would be leaving. Alan’s happy childhood collapsed. Although he made up his mind to live a “successful” life, his secret motivation wasn’t joy—but fear.

Later, Alan began a ruthless self-inventory that uncovered various manifestations of shame in his life. Combining biblical wisdom, humor, and practical guidance, Alan invites readers to discover what he did—how to release their pride and shame to Jesus Christ, banish fear forever, and accept God’s gift of unconditional love and acceptance.

The prior edition, *Shame Off You* (July 2006), sold well and has been repackaged and value-priced, with a broader, more appealing title. The book meets a widespread and growing need among readers who desire a fuller, more authentic way of living under the security of God’s unbridled grace.

**ALAN D. WRIGHT** serves as senior pastor of Reynolda Church (EPC) in Winston-Salem, North Carolina, where he lives with his wife of twenty-three years, Anne, and their two children, Bennett and Abigail. Alan also serves as president of Sharing the Light Ministries, which announces a liberating, gospel message of healing and hope via a national, daily radio broadcast and a popular conference ministry.

One decade ago, best-selling authors Stephen Arterburn and Jack Felton exposed the dangers of what they called “toxic faith,” helping countless believers to understand and overcome their religious misconceptions.

Readers will be set free from man-made rules, “churchianity,” and legalistic religion; learn to recognize serious misinterpretations of vital biblical concepts such as “accountability”; and return to the roots of a strong, obedient, yet grace-filled relationship with their Creator.

*More Jesus, Less Religion* points the way back to the grace of the Lord and shows what it takes to avoid the pitfalls of toxic faith.

**STEPHEN ARTERBURN** is founder and chairman of New Life Clinics, host of the daily *New Life Live!* national radio program, creator of the Women of Faith Conferences, nationally known speaker and licensed minister, and the author of more than 40 books. Steve resides with his family in Laguna Beach, California.

**JACK FELTON** is a licensed therapist and an ordained minister at New Hope Christian Counseling Center and is president and founder of Compassion Move Ministries. Jack Felton is a frequent lecturer in the Southern California area and has numerous local and national television and radio appearances to his credit. He and his wife, Robin, and his children, Jack and Christy, live in Huntington Beach, California.

# author, RANDY ALCORN!

Randy Alcorn showed believers their destiny in his blockbuster *Heaven*.

Now he helps us understand the meantime.

It is arguably the greatest question of human history: Why would an all-good and all-powerful God create a world full of evil and suffering? Atheists such as Richard Dawkins, Christopher Hitchens, and Bart Ehrman answer the question simply: The existence of suffering and evil proves there is no God.

How can Christians make sense of the puzzle pieces? In this captivating new book, Randy Alcorn—best-selling author of *Heaven* (with nearly 500,000 copies sold) and numerous other books—brings a fresh, realistic, and thoroughly biblical approach to dealing with all the issues this deep-rooted question raises. He reveals the big picture of who God is and what God is doing in the world—now and forever. And he equips believers to share their faith more clearly and genuinely in this world of pain and fear.

As a result, readers will discover that suffering is, in the end, God's invitation to trust him. And to hope for a better world.
