Authentic Beauty

The Shaping of a Set-Apart Young Woman

Leslie Ludy

A passionate, personal invitation to young Christian women to embrace and defend their dream for a pure romance that leads to an enduring marriage.

In this widely admired treatise to girls and young women, author Leslie Ludy appeals to her readers' desire for romantic ideals and "authentic beauty". She rejects what she sees as the modern erosion of the old fashioned, biblical, feminine dream. In both lofty and utterly practical terms, she invites young women to follow her on the high road to a high dream--what she calls the life of "the set-apart young woman." The latest revision adds new stories and makes *Authentic Beauty* and its companion workbook, *Authentic Beauty: Going Deeper*, more appropriate for younger readers, while also adding a new DVD curriculum for churches and small groups.

GROWING MINISTRY REACH: Since the release of their bestselling *When God Writes Your Love Story*, the Ludy's ministry has continued to expand. Eric Ludy founded Ellerslie Training, a college-level residential school for Christian leaders. Leslie is the director of Set Apart Girl (www.setapartgirl.com), a training organization for young Christian women. Her website and magazine have followers in over 170 countries, and her annual conference tour reaches thousands of girls around the United States.

MEDIA SAVVY: Leslie has been featured on Focus on the Family, Family Life Today, Moody Radio, and 100 Huntley Street. The authors are frequent speakers at universities, music festivals, and leader's conferences.

Cleaning House

A Mom's Twelve-Month Experiment to Rid Her Home of Youth Entitlement

Kay Wills Wyma

A self-described "enabling mother" embarks on a one-year experiment of empowering her five kids to master the basic tasks of independence, gaining valuable insights for every parent who wants to rid their home of youth entitlement.

Today's well-intentioned parents go to great lengths to make their children's lives easier. But instead of leading to happy kids, such hovering instills dependency and helplessness. When parents arrange for a child's success, the resulting message is, "I'll do it for you because you can't." But as author Kay Wills Wyma discovered, what kids really need to hear is, "I believe in you so I'm going to make you work." For one year she focused on training her children in key life skills, beginning with making their own beds right on through yard work, hospitality, and community service. In this book she shares her experiences along with practical tips and wisdom from other parents and experts.

Key Points/Quotes

CREATIVE APPROACH TO A RECOGNIZED PROBLEM: Parents--and employers--are well aware of the pervasive problem of youth entitlement. This book counters the serve-me mentality with the truth that we were created to work.

WORDS FROM A FELLOW TRAVELER: With a fresh, authentic, in-the-trenches approach, this book appeals to parents who want to walk alongside someone who understands firsthand the everyday challenges and hopes of raising kids.

PRACTICAL, PROVEN ADVICE: The experts and experienced parents on whom Wyma relied for wisdom and ideas will also have a voice in this book, offering real-world solutions.

BIBLICAL FOUNDATION: Work is the vehicle through which God cares for creation (Genesis 2:15). Rather than allowing kids to settle for mediocrity, parents can equip them for lives characterized by integrity, perseverance, and God-honoring traits.

About the Author/Illustrator

Author Residence: Dallas, TX

KAY WILLIS WYMA is a mother of five children between the ages of 4 and 14. Before transitioning to the role of stay-at-home mom, she held positions at the US Department of State, the White House, and Bank of America. More recently she has worked as a successful political fundraiser and serves in leadership roles with various organizations. She earned a BA from Baylor University and an MIM from the American Graduate School of International Management. Happily married to Jon, she inspires other parents through her blog, which garners 1,200 unique views each month.

The Orphan King

Book 1 in the Merlin's Immortals series

Sigmund Brouwer

In the tradition of Ted Dekker's *The Lost Books* and Michael Scott's *The Secrets of the Immortal Nicholas Flamel*, a new hero arises--one that will challenge centuries of Druidic power.

Since Stonehenge, the ancient and mystery-shrouded Druids have been ghostly hunters, infiltrating the highest power circles of each new conqueror of Britain. Merlin himself was a Druid, until rebelling against them. He established his own line of descendants, bequeathing them the power and knowledge to hunt the Druids.

It is a dark time in medieval Europe. A young man, Thomas, journeys to an isolated castle, unaware of his ancestry, roots that stretch back to the Byzantine empire. Thomas doesn't realize that he carries the secrets needed to reconquer the castle for the Merlins. At stake is the direction of mankind's future because the Druids have the ability to end all progress in science, medicine and technology, thus ensuring the Dark Ages continue for centuries more.

Key Points/Quotes

FIRST IN A SERIES: Merlin's Immortals is a series that takes readers to the heart of the sorcery battles that have been hidden from mankind all through the centuries, since the first rays of sunlight at Stonehenge.

AUTHOR WITH SCHOOL SPEAKING PLATFORM: Sigmund Brouwer's Rock and Roll Literacy program takes him to over 250 schools a year across Canada and the United States, reaching audiences of up to 400 students at a time. He sees the Merlin's Immortals series as a perfect recommendation for those eager readers.

POPULAR GENRE: Fantasy novels for YA readers have seen sustained popularity in recent years and Brouwer's tale of adventure and magic vs. belief is sure to engage and provide a unique story that rises beyond the traditional supernatural cast of characters.

Praise for Sigmund Brouwer:

"Speculative Christian fiction is rare, and Brouwer does it with the skills of an episodic storyteller that make a reader wonder when the movie is coming out."--*Publisher's Weekly*

About the Author/Illustrator

She doesn't expect to be there long, but when her grandfather dies and leaves her his farm, her simple plans turn into something much more complicated. Especially with equally stubborn Evan Price watching her every move.

Evan has run the Quinn farm for the past five years, hoping to one day call it his own. So when Bethany plans to sell his dream, Evan refuses to let go without a fight. A Novel

Mona Hodgson

A heartwarming and poignant historical romance for every woman who has thought she made one bad decision too many.

Back east in Portland, Maine, Vivian Sinclair made a bad choice that follows her to Cripple Creek, Colorado—where her sisters have found husbands and made a home. The shame she carries with her is powerful and she struggles to accept forgiveness from the Lord. Vivian sees limited choices for her future... and marriage isn't one of them.

When most employers seem to find Vivian unworthy as well, she is forced to accept a hostess job at a prestigious sporting parlor. Her decision appears to work out well until an outlaw shows up, violence breaks out, and a death occurs. Vivian could be next, so she flees into the night—only to be captured by the dangerous outlaw. Will the sheriff's deputy find Vivian? When he discovers her true identity, will he be able to forgive her secrets and lies? Her past transgressions? Can she forgive herself and embrace God's view of her as his child?

The Widow of Saunders Creek

A Novel

**1 MILLION
BOOKS IN
PRINT**

Tracey Bateman

A chilling tale of a young widow grieving a terrible loss, her longing to hear from beyond the grave, an Old Ozark home--and a power that triumphs all fear and death.

After her husband's heroic death in Iraq, Corrie Saunders moves into his family's 150-year-old home. Grieving and ready to bury herself in the house, she begins to experience strange occurrences which she attributes to her husband. She forms a friendship with Eli, her husband's cousin, who is doing the remodeling job. But Eli doesn't believe the entity is her husband. And the more Eli is around, the more malevolent occurrences become.

Eventually Corrie realizes that if her late husband wanted to contact her, he wouldn't use fear as a method. As Eli helps her, the two of them grow closer. What started as a simple friendship moves towards something more. In the midst of the budding romance, Corrie draws strength from Eli's deep faith and learns that even smallest whisper spoken with faith is stronger than a maelstrom of evil.

Key Points/Quotes

TOUCHING ROMANCE: As she moves through her grieving process, Corrie develops a friendship with Eli, her late husband's cousin, and his strength, compassion, and wisdom help her to recognize the power she is giving to her pain and that there is healing hope beyond loss.

STRONG REDEMPTIVE MESSAGE: Corrie learns that the gentlest, softest word from God is stronger and more powerful than the most intimidating displays of aggression from the devil.

INTRIGUING SETTING: Like Appalachia, the Ozarks are historically steeped in superstition mixed with faith. This locale provides a powerful backdrop for this "is-this-house-haunted" story.

BOOK CLUB APPEAL: Tracey is often praised for her ability to authentically capture the struggles, fears, and triumphs that women face. This book will illuminate a strong heroine and powerful themes, ideal for group discussion.

About the Author/Illustrator

Author Residence: Lebanon, MO

TRACEY BATEMAN lives in the beautiful Missouri Ozarks with her husband and some of her four kids. The rest have flown the nest toward their own futures, but stay close enough for the occasional home-cooked meal and massive loads of laundry. With more than 30 novels in print, Tracey has come to the conclusion that writing is more than a hobby and spends her time weaving tales, creating characters, and dreaming of other worlds.

Unfashionable

Making a Difference in the World by Being Different

Tullian Tchividjian

A bracing call for spiritual and cultural distinctiveness from a leading voice in the "young, restless and Reformed" movement.

The author of *Do I Know God?* argues that young spiritual seekers thirst for truthfulness and transcendence more than trendiness. Instead of trying to appeal to cultural fads, say Tullian Tchividjian, Christians need to come to terms with being out of style, with delivering a meaningful alternative to current cultural assumptions. In tightly reasoned essays that hew closely to Scripture, the author explores what "making a difference by being different" would look like in community, lifestyle, work, money, relationships, worship and church.

Key Points/Quotes

STUDY GUIDE INCLUDED: In-depth 12-page study guide for personal or group use.

FOREWORD BY TIM KELLER: In his foreword, *New York Times* best selling author of *The Reason for God*, Dr Timothy Keller describes *Unfashionable* as "one of the most accessible guides" to "one of the hottest debates in contemporary evangelicalism."

NEW GENERATION: Tchividjian is establishing himself as a leading apologist for the younger, conservative evangelicals.

GROWING PLATFORM: Tchividjian is a regular speaker and guest blogger for *The Gospel Coalition*, speaks at conferences throughout the US, and his sermons are broadcast daily on the radio program, "Godward Living."

TIMELY TOPIC: The message of *Unfashionable* goes to the heart of a key conversation going on among ministry leaders, especially between the New Reformed and the so-called Emergents.

KEY SENTENCE: "Christians make a difference in this world by being different from this world; they don't make a difference by being the same."

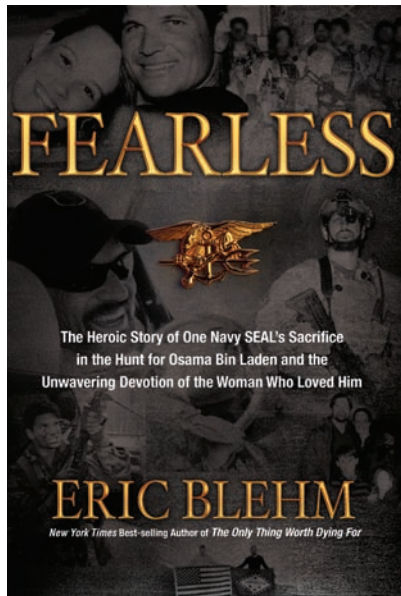

About the Author/Illustrator

Author Residence: Coconut Creek, Florida
 WILLIAM GRAHAM TULLIAN TCHIVIDJIAN is the senior pastor of Coral Ridge Presbyterian Church in Ft. Lauderdale, Florida. Tullian is a grandson of Billy and Ruth Graham. He is a visiting professor of theology at Reformed Theological Seminary and a graduate of Columbia International University (philosophy) and Reformed Theological Seminary in Orlando, and a guest blogger for The Gospel Coalition. Fearless

The Heroic Story of One Navy SEAL's Sacrifice in the Hunt for Osama Bin Laden and the Unwavering Devotion of the Woman Who Loved Him

Eric Blehm

The inspiring story of faith, courage, and ultimate sacrifice of a SEAL Team 6 warrior who others said "lacked a fear bone in his body."

Chief Petty Officer Adam Brown was a member of the elite US Navy anti-terrorist unit, SEAL Team 6, which trained and worked for years to apprehend the world's most dangerous man--Osama Bin Laden. *Fearless* tells of Adam's irrepressible courage, an often reckless abandon that early in life led him down a destructive path of drug use and jail time. But after giving his life to Jesus Christ in his early twenties, Adam served his God, his family, and his country with the same selfless, passionate abandon. On his last mission before leaving the SEALs to become a stay-at-home dad, Adam would be faced with the ultimate sacrifice. Adam's team would later carry out the raid that ended Bin Laden's reign of international destruction. Award-winning and best-selling author Eric Blehm recounts a heartfelt and heroic story that will touch every reader.

Key Points/Quotes

EXCLUSIVE DETAILS on the hunt for and death of Osama Bin Laden. In honor of a former teammate, members of Navy SEAL Team 6 shared personal accounts of the Bin Laden raid with Adam Brown's widow.

EXPLORES THE MARRIAGE AND FAMILY CHALLENGES of a special forces operative. Adam's wife, Kelley, displayed her own courage in serving her husband and family while he deployed on secret, dangerous missions.

REVEALS HOW FAITH CHANGED a young man's course from ruin to redemption.

EXTENSIVE MEDIA PROMOTION: The author, and Adam Brown's surviving relatives--including his wife Kelley, will give interviews at the time of publication. Invitations already received from *The 700 Club*, the NRA (widespread membership in the millions), and media personalities such as Mike Huckabee and Oliver North.

About the Author/Illustrator

ERIC BLEHM is a best-selling author and award-winning journalist. His book, *The Last Season*, an account of the disappearance of National Park Service ranger Randy Morgenson, won the Barnes & Noble Discover Award in 2006. The book also was named by *Outside* as one of the ten "greatest adventure biographies ever written." Blehm's latest book, a *New York Times* and *Wall Street Journal* bestseller, is *The Only Thing Worth Dying For*. Eric and his wife live in California with their two children.

The Seasons of God

How the Shifting Patterns of Your Life Reveal His Purposes for You

Richard Blackaby

Well-respected author and pastor Dr. Richard Blackaby beautifully explores the seasons God created in nature and shows how he uses seasons in people's lives too.

Seasons of God says that the natural order of seasons in creation is found in the pattern of people's lives as well. People go through spring, fall, summer, and winter as cycles in their lives; seasons are not always what we assume them to be; and seasons may not always follow the order we see in nature. By understanding how these "seasons of God" work, we can make sense of the challenges we're going through in our lives. We can also know better how we should act, grow, and live.

Key Points/Quotes

FRESH CHRISTIAN LIVING CONCEPT: Seeing our lives as a pattern of seasonal cycles helps us cope with the challenges of life in a better, deeper, more spiritual way.

WELL-KNOWN AUTHOR: As an established pastor, leader, and author as well as the son of renowned Henry Blackaby, Richard has a large and rapidly growing audience. He is also widely sought after for speaking events at churches and conferences throughout Canada and has rising prominence at Blackaby Ministries International.

BIBLICAL: Dr. Blackaby is always deeply rooted in Scripture, and in *Seasons of God* he uses the stories of biblical characters as examples of seasonal living.

GIFTABLE: *Seasons of God* is a great gift as it offers warm advice and biblical guidance to friends and family as well as to anyone in physical, emotional, and spiritual need.

About the Author/Illustrator

Author Residence: Greenville, South Carolina **Author Hometown:** Saskatoon, Saskatchewan, Canada
Dr. RICHARD BLACKABY has served as the president of Blackaby Ministries International since July 2006. He was senior pastor of Friendship Baptist Church in Winnipeg, Manitoba and then as president of the Canadian Southern Baptist Seminary in Cochrane, Alberta for thirteen years. An internationally known speaker and author, he is famous for works such as: *Experiencing God*, *Fresh Encounter*, *Hearing God's Voice*, and *Called to Be God's Leader*, among others. From the Library of C. S. Lewis

Selections from Writers Who Influenced His Spiritual Journey

James Stuart Bell

More than 200 select readings provide a vast array of inspiration from those who have shone forth as messengers of light in C. S. Lewis's thinking, writing, and spiritual growth.

From the Library of C.S. Lewis is a rare glimpse into the intellectual, spiritual, and creative life of one of literature's legends--a treasury of insight and wisdom for students and lovers of classic Christian literature and theology. Drawn from Lewis's personal library, annotations, and references from his writings, the selections in this book bring readers into contact with giants such as Dante, Augustine, and Chaucer, as well as introduce them to more contemporary writers such as G. K. Chesterton, Dorothy L. Sayers, George MacDonald, and J. R. R. Tolkien.

Key Points/Quotes

TIMELESS RESOURCE: First published in hardcover in 2004, this book continues to appeal to students and lovers of classic Christian literature and theology.

INSPIRATIONAL: With more than 200 selected writings from the books that nurtured Lewis's mind, spirit, and imagination, this book may be used as a unique and rich selection of daily readings.

EDUCATIONAL: Readers will encounter, perhaps for the first time, literary giants and theologians who profoundly shaped Lewis's mind and heart.

The Gospel of Yes

Following Jesus Comes Down to What You Do, Not What You Don't

Mike Glenn

God's most powerful word is "yes." It was evident when he spoke the universe into existence, and today it contains the secret to the best way for a believer to live.

Life does not run short of hazards and disappointments, so it's no wonder that people feel they are going into battle every time they walk out the door. But that magnifies the problem while losing sight of what God has already done to make things right. God's default setting is to remove the obstacles that prevent people from turning to him for help and healing. Even when the only effective solution is the one that costs him the most, God takes the steps necessary to save us. And when we come to know him, he invites us to live in light of his "yes" in every area of life. The life of faith means taking God's "yes" to heart and joining him in addressing the brokenness in the world around us.

Key Points/Quotes

PROMINENT MEGA-CHURCH PASTOR: Mike Glenn is widely known as an innovative leader whose church reaches those who are most likely to give up on organized Christianity. In his tenure as pastor, membership has skyrocketed from 1,100 to more than 7,000. He recently was a featured speaker at a national Worship Week sponsored by LifeWay. The foreword for Mike's book will be written by author and widely quoted Jesus Creed blogger Scot McKnight, a professor at North Park University in Chicago.

POSITIVE, MOTIVATING MESSAGE: Shows readers how to live in the affirmative as they follow the God whose first word to us is "yes". This leads to a life defined by hope and effective action, not suspicion and opposition.

A COMPELLING MESSAGE TO THE DISAFFECTED: Young-adult believers will resonate with this proactive, adventurous approach that is committed to making a positive impact on the world.

The Signature of Jesus

The Call to a Life Marked by Holy Passion and Relentless Faith

Brennan Manning

It is possible to live as Jesus lived--a life marked by simplicity, purity of heart, service to others, and fulfilling joy.

The Signature of Jesus explains how a follower of Christ can live by faith and not by mere "religion." Many Christians today are uneasy with how the church seems to emphasize the "wrong" things and how authentic, "sold-out" faith should not be about having the "right" theological views but a genuine love affair with Christ. Instead, following Jesus should be about embracing the risks and challenges of walking out the Gospel in a genuine way that draws others to Him. This book is for those who want to live dangerously and leave a "signature" on the pages of their life that resembles the one Jesus left on His. Join Brennan Manning, the bestselling author of *The Ragamuffin Gospel*, on a personal journey to enjoy Christ's love and live with His passion.

Key Points/Quotes

APPEALS TO SPIRITUALLY RESTLESS Christians longing for a more authentic, radical experience of faith in all of life.

BEST-SELLING AUTHOR: Brennan Manning has won a wide audience of readers because of his ground-breaking book, *The Ragamuffin Gospel*, with more than 200,000 in print.

The Girl's Still Got It

Take a Walk with Ruth and the God Who Rocked Her World

Liz Curtis Higgs

This novel approach to Bible study invites readers to step through the portal of time and experience the day-to-day lives of Ruth and Naomi, gleaning from their rags-to-riches story the assurance that God is at work to redeem each loss and disappointment.

In her best-selling Bad Girls of the Bible series, Liz Curtis Higgs breathed new life into ancient tales about the most infamous and intriguing women in scriptural history, from Jezebel to Mary Magdalene. In her newest release, Liz offers a twenty-first century take on the book of Ruth, dishing out meat and milk, substance and style, in a highly readable, always entertaining, and deeply personal journey with one of the Good Girls of the Bible. Readers will walk with Ruth as she steps into a new stage of life alongside her brokenhearted mother-in-law, Naomi. Rather than simply reading about these historical figures, readers will hang out with them, share their joys and sorrows, and watch a sovereign God at work in their hearts.

Key Points/Quotes

NEW YORK TIMES AND CBA BEST-SELLING AUTHOR: Liz Curtis Higgs has more than 3 million books in print; her WaterBrook titles alone enjoy sales exceeding 2 million copies. This new work follows in the style of her perennial top seller *Bad Girls of the Bible*.

HOPE-FILLED: Each encounter in Ruth's story reveals a vital aspect of God's nature--his faithfulness, his patience, his loving-kindness, his mercy, his provision. And each chapter prepares the way for the glorious redemption to come.

RELEVANT: With a perspective rooted in biblical scholarship yet always accessible, Higgs makes the Bible come alive for her readers, showing how the ancient truths apply in practical ways to their lives today.

PERFECT FOR GROUP USE: A brief Readers Guide will be included with book clubs in mind, and an extensive Study Guide will pose ten questions per chapter, an ideal format for individual or small group Bible studies.

Knowing these truths will impact not only our view of God but will shape our response in times of difficulty and stress. Through this six-week, no-homework study, readers will gain a deeper understanding of who God is, what he wants, and how we can live in relationship with him.

Dancing on the Head of a Pen

The Practice of a Writing Life

Robert Benson

A new book on writing that enhances the reader's life, creativity, and faith.

Those who follow God seek to know their Creator, and as they pursue God they find that faith and creativity are closely linked. God took immense pleasure in creating the world, and he left his mark on every human by making us creative beings. As God breathed life into humanity, he made even the ordinary aspects of life a creative endeavor. For writers, artists, musicians, craftspersons, and anyone who is drawn to a creative pursuit, Robert Benson's *Dancing on the Head of a Pen* inspires, encourages, and instructs. As Benson offers practical guidance in enhancing one's creativity, he underscores the life-changing power of effective, artful writing. This is the most compelling marriage of advice and inspiration since Anne Lamott's *Bird by Bird*.

Key Points/Quotes

ADDRESSES A CRITICAL NEED: What *The Body Broken* did for readers who hunger for deeper, more authentic faith, Benson's latest book does for Christians who are drawn to writing as a creative outlet.

CRITICALLY ACCLAIMED AUTHOR: Benson's work has been praised in *The New York Times*, *USA Today*, *Publishers' Weekly*, *BookPage*, and many other periodicals. He is respected and quoted by writers in the field of spirituality. His admirers include Philip Yancey, Eugene Peterson, Annie Dillard, Frederica Mathews-Green, Brennan Manning, and Frederick Buechner.

AMERICANS LOVE TO WRITE: With the proliferation of tablets, iPads, blogging, Twitter, and other forms of social media, Americans are now writing more than ever before. Many use writing not just to convey information, but also as a creative outlet. This book speaks directly to a burgeoning market.

A MASTERFUL MIX OF PRACTICAL AND SPIRITUAL: Delivers practical help on the writing craft, as well as inspiration, motivation, and life guidance for accomplished writers as well as aspiring writers.

About the Author/Illustrator

Author Residence: Nashville, Tennessee

A Sudden Glory

God's Lavish Response to Your Ache for Something More

Sharon Jaynes

Popular Bible teacher Sharon Jaynes invites Christian women who feel frustrated, empty, or unfulfilled in their faith to erase the lines between daily living and spiritual intimacy so that they experience God's presence, power, and love like never before.

Women want something more from their faith, but they don't know exactly what they are lacking. They mistakenly think *something more* means *doing more* and they are weary. They seek fulfillment in busy-ness and church-related activities and don't even recognize what they are overlooking. They are asking, "What's wrong with me? I'm doing all the right things, so why do I still feel empty?" and "Where is God?" In this book, Sharon Jaynes explores what it means "to live and move and have our being" in God, ultimately leading readers to experience a *sudden glory*--a powerful encounter with the lover of their soul.

Key Points/Quotes

ESTABLISHED AUTHOR: Sharon Jaynes is one of the Girlfriends in God ministry trio and has published more than 16 books with more than 300,000 copies sold.

Spark

Transform Your World, One Small Risk at a Time

Jason Jaggard

Thousands of ordinary people have shown that taking one small risk achieves amazing results. Are you ready for yours?

Changing your life requires a decision to start doing things differently and then acting on that decision. When you gather a small group of people who are committed to the same mission, and when each of you begins by taking small but significant risks, you will see big changes start to take place. And as you follow God in spreading his goodness in the world, you realize that changing your life benefits the people around you as well as the world around you. *Spark* shows readers how to band together with a few friends to take small risks that produce major results. Lives are sure to be changed--beginning with your own.

Key Points/Quotes

LINKED TO A BURGEONING MOVEMENT: Jason Jaggard is founder of Sparks, a small-group experience that already is underway in thousands of venues. The number of people exposed to the Sparks experience grows by the week.

PROMISES BIG CHANGE WITH LITTLE RISK: This book will be embraced by those who are put off by the idea that doing things to change the world has to be big, bold, and daunting. *Sparks* moves readers to action in a nonthreatening way.

A COMPELLING RELATIONAL EXPERIENCE: Will attract readers whose lives are inextricably linked to friends and doing things together. The beauty of this book is that anyone can do it, it achieves immediate results, and it draws on the support of others.

The Blessed Church

The Simple Secret to Growing the Church You Love

BESTSELLING
 AUTHOR

Robert Morris

There's no better place to experience God than in the loving, healthy community of a blessed church.

In *The Blessed Church: The Simple Secret to Growing the Church You Love*, Robert Morris explains why Gateway Church in suburban Dallas/Ft. Worth is one of America's, largest, fastest-growing, exciting, and spiritually enriching local churches. This related "next chapter" to his best-selling *The Blessed Life* explains to church leader and lay person alike the qualities that make church "work" in the 21st century. Author Morris shows how every key component of the church can receive God's richest blessings--vision/mission, church government, preaching-teaching, worship, small groups, giving, outreach, and more. Rather than bemoaning the decline and problems of the contemporary evangelical church, *The Blessed Church* celebrates the expanding role of the body of Christ in the life of individuals and their spiritual community, as the kingdom advances.

Key Points/Quotes

INSPIRING STORIES tell how a local church can provide so much benefit to individuals, families, and a community.

REMARKABLE INSIGHTS ON MAKING A CHURCH EFFECTIVE in a time when so many churches are trying to determine what "works" in contemporary culture.

ALL TYPES OF CHURCH LEADERS WILL FIND ideas and encouragement, regardless of whether or not they are on "paid professional staff"--to include church officers, small group leaders, youth work volunteers, Sunday school teachers, worship team members, and others.

AUTHOR IS PASTOR OF AN INFLUENTIAL MULTI-SITE MEGACHURCH in the Dallas/Fort Worth Metroplex. His weekly TV program, *The Blessed Life*, is seen in 80 million homes in the US.
