**FEARLESS:**

*The Undaunted Courage and Ultimate Sacrifice  
of Navy SEAL Team Six Operator Adam Brown*

"There is a quote from the Bible etched onto the memorial that stands in the shadow of World Trade Center steel that resembles a massive trident: 'Isaiah 6:8 Then I heard the voice of the Lord saying, "Whom shall I send? And who will go for us? And I said, "Here am I. Send me!"' That was Adam Brown. *Fearless* is a clear and deeply honest portrait of an authentic American man who lived and loved with an intrepid personal velocity. For most of us, the failures and disappointments in life take their toll. Not for Adam Brown. He vanquished all life's heartbreaks with faith, humility, and hard work. His commitment to his family and his friends helped forge Adam Brown into the rarest of warriors. Long live the Brotherhood." --Kurt Johnstad, screenwriter, *Act of Valor* and *300*

"When people know they are going to die, often their one regret is that they didn't say I love you enough. Adam Brown never had to worry. His life was about love: Love of God, family, friends, country, his fellow SEALs, and the Afghan children who worshiped him. In his latest book, *Fearless*, Eric Blehm does a marvelous and moving job uncovering the man -- the men -- beneath the SEAL mythology of elite, rock-hard warriors, renowned for their courage and skill. The SEALs in *Fearless* hug their children, seek comfort from their wives, wear Batman briefs, answer to names like Big Bird and Fozzy, mourn lost buddies, and risk their lives to rescue civilians from the field of fire. This is a stirring, revelatory, heartbreaking story. --James Campbell, author of *The Last Frontiersman* and *Ghost Mountain Boys*

"*Fearless* stands unique among works of modern combat literature through author Eric Blehm's masterful weaving of a fallen Navy SEAL's professional war-fighting life with his complex personal victories and travails. Rich in detail and captivating in its honesty, you won't put *Fearless* down once you read the first page. Read it and prepare to learn a whole new world of life as a Navy SEAL." -- Ed Darack, author of *Victory Point: Operations Red Wings and Whalers—The Marine Corps' Battle for Freedom in Afghanistan*

"As a rule, we don't endorse books or movies or anything regarding the command where I work, and Adam Brown worked, but as the author writes in *Fearless*, 'You have to know the rules, so you know when to bend or break them.' This is one of those times. Read this book. Period. It succeeds where all the others have failed." —Anonymous, SEAL Team SIX Operator
