

A Reading Plan for The Women of Easter during the 40 Days of Lent

Simply read the few pages noted for each day and stop at a natural break near the bottom of the last page. On Study Guide days, you'll find three questions to read and answer. The Sundays during Lent are not counted among the 40 Days, since *every* Sunday is a celebration of the risen Lord. May your journey this holy season be filled with gratitude for the gift of His grace!
