Chad Hovind graduated from Moody Bible College in Chicago, majoring in pastoral ministry as well as communication (radio/television). Chad received his master's degree from Moody Graduate School in 2008. His Masters of Arts in Ministry specialized in teaching and communication. His love for ministry and creativity can be seen in many forms: leading teams, motivational speaking, expository teaching, and experience as an actor, director, and video producer. He's served as pastor at two high-impact church start-ups in Georgia: Cumberland Community Church and New Community Church.

Currently, he is the lead pastor of the rapidly growing Horizon Community Church in Cincinnati, Ohio. Horizon attracts business leaders, entrepreneurs, professionals, and unconvinced explorers who are interested in applying God's truth to everyday life. Pastor Hovind is the creator of the Fast Track bible DVD series and the Godonomics DVD curriculum series, which is endorsed by Focus on the Family's Truth Project. He speaks regularly to a variety of groups, including at Glenn Beck's Restoring Love, Marketplace Ministry, and Patriot Events. He loves volleyball, movies, and hanging out with his wife, Beth, and their three children.
