Relentless Faith. Extraordinary God. Thriving Life.

Colorado Springs, Colo. - Drawing on his trademark fresh-and-revealing study of Scripture, author **John Bevere** shows us in *Relentless* (December 13, 2011) how great men and women in Bible times and today embraced the hard times of life and developed a relentless spirit that allows them to not “just get by” but to “rule” in life—as God intended. More than a strategy for survival, *Relentless* offers a new spiritual mindset. Its biblically grounded truths free you to embrace even the most difficult circumstances. After all, you were never meant to “just get by” as a Christian. You were meant to rule over circumstances, rest in God’s love, and thrive in the light of God’s grace.

“As one who used to be a quitter in almost everything I set out to do, I have now been living passionately for Jesus Christ for more than 30 years, and I’m even more committed today than I was then,” Bevere writes. “God Almighty made a virtue

available to me that changed me from a quitter to relentless believer. That same virtue is available to you who have received Jesus Christ as your Lord, but it has to be developed. The purpose of this message is to reveal how you can develop this ability that God has freely given to you.”
