## Are You Ready? Legions of the Fallen Are Coming

*Who Will Win in the Battle of Good vs. Evil?*

***Rise of the Fallen*** by Chuck Black (Multnomah Books, February 17, 2015) is the exciting second book in the War of the Realms Series set in modern times, following the forces of good and evil as they collide in a global spiritual battle written to inspire young adults to live boldly for Jesus Christ by understanding the reality of spiritual warfare.

Thoughtfully constructed to emphasize the power of prayer, of God's Word and ultimately of the critically important mission of being a witness for the Gospel, Black says, "In a nutshell, it is a journey of one young man, Drew Carter, who begins as an atheist but then is called by God for a great mission."

Black writes about Drew's life as he experiences an accident and then as God opens his eyes to see into the spiritual world. Soon, Drew is witness to the raging battle between angels and demons for the lives of people and families around him.

Another character is the last and least of God's angels, Validus, who has seen much across the millennia since his creation. As a witness to the rise and fall of empires, he understands that the angelic and demonic forces battles will decide not only the fate of humanity but also the fate of his fallen brothers.

However, when the Creator's most elite Messenger brings new orders, Validus feels suddenly demoted to what he views as an insignificant task in light of the fierce battle waging against the demonic Fallen—the measly duty of protecting one unbelieving man.

In his new position, Validus is pushed beyond his abilities in the battle to protect Drew from Legions of the Fallen who are coming for him. And in a race against time, he discovers why Drew is so important to humanity's survival, facing his toughest battle yet of standing between this human and the Legion set to destroy him.

Ultimately, can Drew can be saved and become the spark to ignite a revival throughout America?

Black also includes notes to help explain to young readers some of the speculative elements used to fill in gaps of biblical understanding and interpretation in this fictional story on spiritual warfare.

**Chuck Black** grew up in North Dakota and served in the USAF where he flew F-16 fighter planes. He is the author of 13 books including the popular Kingdom Series and Cloak of the Light, the first in the Wars of the Realm Series. Black and wife Andrea have six children.
