## ***New York Times* Bestseller Now Available in Paperback Journey with Nick Vujicic Out of Despair and into Hope**

**Colorado Springs, Colo.** — International motivational speaker Nick Vujicic offers guidance and inspiration to anyone who feels overwhelmed with the burdens of life in [Unstoppable: The Incredible Power of Faith in Action](#) (WaterBrook Press, December 31, 2013).

Vujicic was born without arms or legs, but hasn't allowed his physical challenges to keep him from living a "ridiculously good life." By focusing on the promises that he was created for a unique and specific purpose, that his life has value and is a gift to others, and that God is always present during times of hardship, Vujicic has overcome his own challenges and now offers that same hope to readers as he encourages them to put their faith into action.

"To have faith is not enough," writes Vujicic. "You have to exercise your faith, act upon it, and share it so that others are inspired to love God as you do. It's about having faith in yourself, your talents, your purpose, and most of all, in God's love and His divine plan for your life."

Through insightful stories from his own life and drawing on inspiration from others, Vujicic offers guidance for dealing with self-destructive thoughts, relationship issues, bullying, career and job challenges, imbalance in body/mind/heart/spirit, and health and disability concerns.
